In the 21st century, far too many people are trapped in the darkness of sex trafficking. Out of Darkness is on the frontlines every day rescuing these individuals. When people are rescued out of sex trafficking, they can begin to walk out God's purpose for their lives and become a beacon of light for others.

# WITH THE CITY

---

**MINNEAPOLIS, MN**

<https://www.with.city>

A movement facilitating micro-communities of faith who do life together with the unchurched in pain points of our nation's urban centers.

We have all felt moved by racial injustice in our nation, but oftentimes we don't know how we can make a difference beyond the social media post or yard sign. WI+H is a place where you can put your feelings into practical action.
